CAREER STATEMENT

*"I feel that my greatest
strengths are, firstly my strong
commitment to providing a
professional service to all
colleagues with whom I work.
Secondly my skill at developing
and maintaining a close
working relationship with every
company client, something
which in turn helps me to gain
an in-depth understanding of
their individual needs. Thirdly
my real passion for Web
Development as a whole, an
obsession which allows me to
spot trends and develop best
practise processes."*

Pawan Gangwani

PERSONAL SUMMARY

An ambitious problem solver with a passion for online businesses, and who
would like to join a team of like-minded developers & bring quality to the table.
Pawan has close to **7** years of experience of creating logical and innovative
solutions to complex problems. He is thorough and precise in everything he
does, and has a keen interest in technology, mobile first applications and user
experience. He has a proven track record of excellence in developing end to end
applications with cutting edge quality platforms and tools.

Solution-oriented team player with passion for excellence and demonstrated
commitment to goals.

Right now Pawan is looking for a suitable position with a company where
outstanding performance is recognised and where he can work on a variety of
high profile projects.
